

As part of the internationally operating Roullier Group, TIMAC AGRO Austria offers first-class solutions in the field of plant and animal nutrition that meet the challenges of modern agriculture. To supply these innovative solutions to our customers, we produce around 250,000 tons of various mineral fertilizers every year.

To strengthen our **Finance-Team in Pischelsdorf** (Austria) we are searching for a dynamic:

Chief Financial Officer (f/m)

Your Profile:

- You hold a bachelor's or master's degree in Finance, Business Economics or similar?
- You have at least 3 years experience in a holistic, leading Finance or Controlling position in a trading and producing company?
- You have in-depth know-how in accounting (UGB), controlling, tax, insurance and risk management and awareness for legal matters?
- You have experience in dealing with legal and finance authorities and you are able to represent the company towards external partners and institutions?
- You are fluent in German, English and ideally in French?
- You are known for your business acumen, entrepreneurial acting and analytical thinking?
- You have great communication as well as proactive leadership and hands-on managerial skills?

Your responsibilities:

- You manage and control all financial activities for the Austrian organisation in line with group standards and in cooperation with the Managing Director
- You and your team perform the financial planning/budgeting and reporting, ensuring full transparency on the financial performance of the organisation
- You manage financial controls and ensure compliance with latest statutory (UGB) and local tax regulations (including management of international subsidiaries)
- You proactively identify economic opportunities and drive their realisation together with the respective departments to support the transformation of the company acc. to the market needs
- You lead and constantly develop your Accounting and Controlling team (6 colleagues)
- You further develop cross-functional relationships with internal stakeholders and you are the main contact for external stakeholders with regards to financial matters

Our Offer:
